

MISSION STATEMENT

To develop, construct, manage and operate a world-class and environmentally sustainable rail transport system between Metro Manila and the Central and Northern Luzon that will serve as catalyst for development, provide a viable option for commuter and cargo services, and support the growth of local capital markets.

VISION STATEMENT

By 2025, NORTHRAIL shall have delivered a safe, reliable and sustainable rail transport system of international standards that connects Metro Manila with Central and Northern Luzon.

CORE VALUES

People-oriented Service

Responsive to the needs of the Filipino people in the delivery of affordable, fast, convenient, safe and secured travel.

Integrity

Trustworthy, honorable, and accountable, and with adherence to the principle of “Daang Matuwid” of the President.

Professionalism

Positive role models, embracing the ethical standards of our profession by being honest, competent and dependable at all times.

Excellence

With creative and innovative ideas to deliver the highest quality result beyond what is expected and required of us.
